

Candlestick Bioblitz

Saturday, Oct. 19th
9:30am - 1pm

Where:

Candlestick Point State
Recreation Area main parking lot

Bring:

A camera or smartphone (with
the app iNaturalist downloaded if
possible)

We'll split into groups to explore
the park and investigate its
biodiversity. Using the iNaturalist
app, become a citizen scientist
and learn more about nature in
the city. Curiosity is mandatory,
but a science background is not!

**Stay for the free community
BBQ afterwards!**

All ages welcome!
